abundance of Xypex Australia resources.

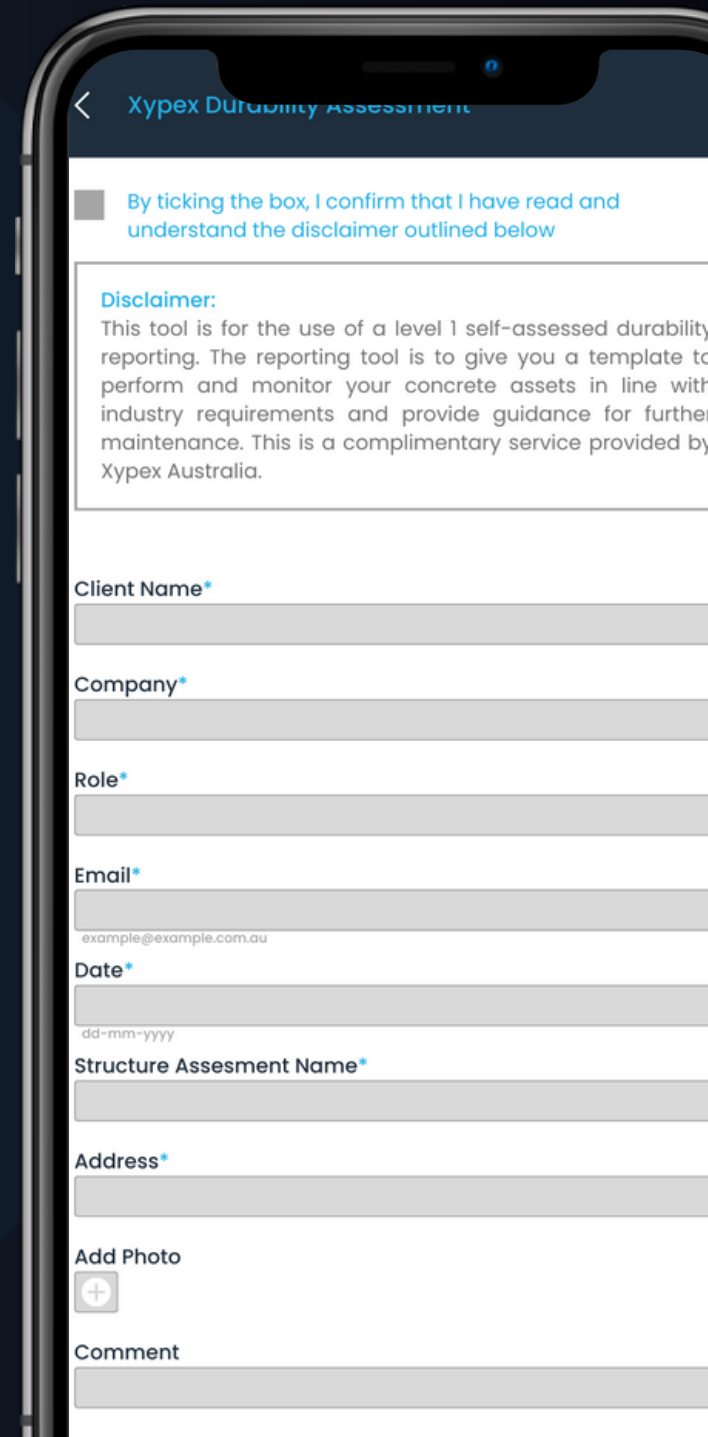

MONITOR YOUR CONCRETE ASSETS

LEVEL 1 DURABILITY ASSESSMENTS

Easy to follow process to submit and record your own inspections of your concrete assets.

Once submitted, a member of our team will build a report and a repair / remediation solution to meet the needs of your concrete structure.

Xypex Durability Assessment

By ticking the box, I confirm that I have read and understand the disclaimer outlined below

Disclaimer:
This tool is for the use of a level 1 self-assessed durability reporting. The reporting tool is to give you a template to perform and monitor your concrete assets in line with industry requirements and provide guidance for further maintenance. This is a complimentary service provided by Xypex Australia.
